## AirBoss Air Tools Co., Ltd.

## **CHIAO TENG HSIN Enterprise Co., Ltd.**

## 1/2" Mini Light Weight **Air Impact Wrench** L08-WA

- · Patented motor designed
- · World shortest with only 84mm length
- · Light Weight magnesium alloy housing.
- · Easy one-handed operation.

## 1/2" Light Weight Air Impact Wrench

AW-140P

- · Motor lifetime extend more than 100%
- Lightweight
- · Sustain high pressure
- · Ergonomically designed

## Air Oil Impulse Wrench/ Screwdriver

APW-60PA

- · High precision torque. Easy Adjustment.
- · Long maintenance cycle. energy saving
- · Small reaction force. One-handed operation reduces operator injury

**♥** Hall 4.2/ No. B079

#### Professional Stepladder(Single Side) P-FSS-06

- · Durable non-conductive 'C' channel side rails in high-visibility safety yellow
- · Super tough copolymer top for strength and durability
- · 80mm wide slip-resistant serrated aluminum steps for safe climbing
- · Inside spreader arms complete with 'wrap-around' sleeves that strengthen the spreader-to-rail connection and protect the spreader arms during storage/loading/transporting
- 500 mm Rear horizontal struts; top and bottom struts are reinforced with zinc-coated steel diagonal braces
- · Heavy-duty extra-large PVC rubber safety boots providing protection and slip-resistance on the rails

#### **Aluminum Telescopic Steady Support** ATSS-02

- · Structure comprised with 2 concealed stainless steel frameworks for easy storage.
- · Easy operatable U-shaped latch;
- · Matted black powder-coated aluminum:
- · Designed to be added on ladders for higher safety.

### **Light Folding Stepladder LAS-05**

- · Can be applied to industrial environment or at home.
- · 600mm high balustrade for safe climbing.
- · 340x280mm wide anti-slip aluminum platform is more stable.
- · Multiple tools can be placed at black plastic platform
- · Folding function makes it easier to carry.
- · Using anti-slip rubber feet.

## Ching Yuang Enterprise Co., Ltd.

## **Medical Adapters**

Precision medical anti-reversible torque limiting wrench, the vibration of breakaway torque is extremely small and torque transmitted precisely without fail, it will bring great benefit to the removal and attachment of bone plates and screws.

## **Indicative Lightweight Sleeve** TSD-99

Visually determine the torque value during the locking process, It cover ring surface is treated as bright black and the number is marked in white.

Torque classification by color: human factors engineering is also been implemented. Different color represent different torque to prevent improper use.

## ♥ Hall 4.2/ No. B047

## LED Balloon Light BL00A038

- · 360 degree glare free lighting
- · Portable 6 KG
- · IP55 water resistant
- · Dimmer lighting adjustment
- · Safety No glass components

# DOFAIR

DOFAIR Co., Ltd.

# DOFAIR PREMIUMCLIMBER

## Telescopic Folding Ladder W/Extension Leg TLB-16BE

- · Versatile and easy to use.
- · Multi-purpose -- twin stepladder, stairway ladder, extension ladder and even as a scaffold base.
- · Light-weight with high duty rating of 150kgs (330lbs).

# Telescopic Folding Ladder W/Platform

MTSS-10B+WP

- · Complies w/EN131 standard
- · Powerful hinge: operating smoothly and high loading rate
- · Versatile working position
- · High loading rate in 150kgs.
- · Made in Taiwan

## FERRO-CARBON Ent. Co., Ltd.

#### **Feca Suction**

FECA products are featuring in industrial vacuum technology suction cups, which are more durable with stronger suction. This unique patent makes FECA products remain in an invincible and unbeatable position among its competitors.

FECA product features are:

- 1.Temperature Resistance from -10°C to 70°C
- 2.Can be used on rough impermeable surface (Under 0.4MM)
- 3. Durable & Reusable
- 4. No Drilling, No Nails required
- 5.100% waterproof and moisture resistant
- 6. Stable with easy attachment to suitable surfaces.

## **Hokwang Industries Co., Ltd.**

# Top Filled Auto Deck Mounted Liquid/Foam Soap Dispenser CSDT

- · Liquid/foam soap pump is exchangeable and smart LED light indication for low soap level.
- · World first auto soap dispenser which can be filled from the top with an overfilled protection mechanism.

## KAI SUH SUH Enterprise Co., Ltd.

## Modular Cable Clip MCC /DB Series

- The length and flex can be adjusted easily without any tool.
- · Split opening contributes to the installation and exchange of wires.
- · Reusable and help heat dissipation of wires and keep wires in order.

### **Hook Tie**

**DP-2-A Series** 

Use it in your kitchen, bathroom or bedroom, even on your baby stroller, convenient for bundling and hanging.

- · Patented design.
- · Duo-direction hook tie.
- · 360-degree rotatable hook fits any direction.
- · Releasable, reusable and environment friendly.
- Maximum load up to 1.5Kgf is proved by SGS laboratory.

## **Nylon Cable Tie**

CV/BP Series

- Effectively manages wires, cables, gardening and packaging for tidiness.
- · One-piece self-lock cable tie saves time.
- Good tensile strength, UL94V-2, not easy to get aging.
- · Low Smoke and Halogen Free suitable for various industry.

# King Slide<sup>®</sup>

Kilews Industrial Co., Ltd.

## DC High Precision Transducerized Screwdriver

KL-TCG/SKT-CG30/SKT-CG50/SKT-CG70

TCG series are designed for screw tightening for production line. All tightening result can be saved. The screwdriver has built in a torque sensor which allows user to know exact torque output. By controlling motor rpm, one screw tightening can be devided into 5 steps with differnt targets, which are Troque, Time and Thread.

SKC-PTM-50/SKC-PTM-75/SKC-PTM-100

- OK & NG indicator Prevent cross head and stripped screw to secure fastening quality.
- Program Max. 5 programs to use in a sequence.
- Counter Counter reminds user for no. of remaining untighten screw.
- Low battery alert To judge best timing to change battery.
- Prohibit setting configuration When activated, user cannot change settings without remote control. This is to avoid any user to change tool settings intentionally.
- Low voltage compensation, stable power output to ensure torque output stability.

## SIMLEAD Safety Drawer System with Push Open, Soft-Closing and VSD

Three main innovations:

- Vibration Safety Design (VSD): Drawer does not pop out if accidental shaking or vibration has occurred
- Ever-Active Push-Open Design: Drawer can be pushed open from a closed or any partially-opened position, and smoothly closed without bouncing back
- Switchable Push-Open Design: Push-open function can be enabled or disabled by a simple flip of a switch. Designers are able to adjust the product functionality based on their needs.

## Pao Shen Enterprises Co., Ltd.

### 5-in-1 Aluminium Tacker 18540

The Die-Casted Aluminum Tacker is ultra-durable and comes packed with amazing features. Suitable for upholstery, low voltage cables, furniture repairs and finishing. It staples 5 types of staples. Choose from H/L duty, U Staples, and Brad. Features include the adjustable driving force switch and the Heavy Duty/Light Duty Staple selector.

10.6mm	11.4mm	10.6mm		→ T
6~14mm (T50)	6~16mm	6~16mm	10~14mm	2~16mm

#### Easy-tech Tackers 18531/18532

With only 20~23lbs of squeeze force, the robust metal tackers can help DIY and professional projects finish in a fast way, which use 30-40% less handle force. This difference can save your time and a sore-hand. Besides, there is no additional attachments or accessories required while using tackers. Simply insert your desired staples and you are ready to go. The tackers are ergonomic design with effort saving mechanism.

## **Rekrow Industrial Inc.**

## **Butane Micro Torch Safety Type** RK2050

Built with 100% refillable metal fuel tank, which is durable and ensures leakage-free concern.

- · Anti-flaring and flame adjustable.
- · Electronic instant ignition system.
- · Metal gas tank allows refilling in any time.
- Minimum of 55 minutes use on each filling depending on the large flame setting, and 100 minutes on the small flame setting.

# Multi-Purpose Soldering Iron Tool Kit U.S. CPSC Child Resistant Standard RK3124

This versatile soldering Iron tool meets U.S. CPSC Child-Resistance standard and also is qualified with GS/DVGW standard. It is a perfect tool to do soldering, shrinking, hot cutting...etc. It's designed with features to withstand long time continuous working and come with an electronic instant ignition system and a child-resistant mechanism.

## Excel Micro Burner with Safety Switch RK4601

This compact size burner is high quality standard and features with a stopper safety mechanism. It provides stable flame and a gas control knob to control flame size. Metal gas tank allows refilling in any time, even just end a long time working.

## Reliable Tools & Hardware Co., Ltd.

#### Ultra Handsaw D10W0820T01

TRT Fineline Technology Diamond ground 3-edge teeth for efficient cuts.

High quality JIS steel: Giving superior hardness & tenacity.

PTFE coated blades: For friction reduction & rust protection.

# 330mm ST Curved Pruning Saw D46C0633C01

Curved saw blade with diamond ground hard point 3-edge teeth. Hard chrome plating blade. High quality JIS steel. Interchangeable blade no tools required.

Sheath included with belt holder.

♥ Hall 4.2/ No. F111

## Same Yong Industrial Co., Ltd.

# Multi-Staple Tacker Fits Both Fine/Flat Staples

UT-869i

- Fit up to 6 type staples (#53/#140/#13/brad nail/headless pin)
- "Idiot-proof" deisgn, self-identify different gauges of staples
- · Durable aluminum housing
- · Power saving handle design to fit ergonomics

#### 3-in-One Multi-Function Staple Gun UT-653B

- · Patented 3-in-One changeable stitch base
- One staple gun/one staple can do 3 different functions
- Stapleing/paper fastening/temporary fixing (easy to remove staple)

# Multi-Staple + Multi-Function Staple Gun

UT-753iBC

- Fit up to 3 types staples (#53/#140/#13)
- · "idiot-proof" design, self-identify different gauges of staples
- · 3-in-ONE functions
- · Stapling/paper fastening/temporary fixing (easy to remove staple)

## **SUNHENG Technology Co., Ltd.**

# **Digital Torque Wrench** SH-DGTQ135-2

With simple multi-functional operation and warning function, it is convenient to control and show the tightness of bolts precisely for users thus improve efficiency and productivity. It can be widely applied to manufactory, vehicle repair, instrument assemblers and even for DIY market.

## **Digital Torque Adapter** SH-DGTS340-2

The adapter breakthrough the problem of tradition torque wrench tools. With simple operation, vibration resistance, preset torque value, unit switching, mode switching, memory and storage, digital up and down increments, power-saving mode, LED and audible alarm etc. LCM application is easily for reading the value of torque under any kind of environment.

## Mini Digital Torque Wrench SH-DMT025

The products breakthrough the problem of tradition torque wrench tools which could not visibly knowing the demand value of bolt's torque. With simple multi-functional operation and warning function, it is convenient to control and show the tightness of bolts precisely for users thus improve efficiency and productivity.
